FINISH COUNT IN TONOPAH **PRECINCTS**

TAFT'S VOTE WILL PROBABLY BE OVER 319

After Nearly Sixty Hours BALZAR Weary Clerks Finish Task Weary Clerks Finish Task --- Taft Carries Tonopah

The counting of the ballots in the Tonopah precincts was finished last night at about 10 o'clock. Yesterday morning at 8 o'clock the clerks and inspectors at both precincts locked the doors of the polling places and went to sleep. They were nearly worn out by the long task of counting the votes and after consulting with the county commissioners, the latter sent down bunks and bedding and inside of ten minutes after it arrived everyone was fast asleep. This was the first rest the men had had after fortyeight hours of continuous work.

Counting was resumed at 4 o'clock yesterday afternoon and after the rest afforded the clerks the work proceeded much

At the Democratic headquarters the election of M. R. Averill for district judge is not conceded over J. P. O'Brien. Averill is in the lead, but the returns from the outside are expected to help O'Brien, as all the precincts are Democratic.

Bellehelen returns were received and show that that camp went strongly Democratic. Out of twenty-seven votes O'Brien received twenty-five. Sheriff Owens received a majority of three. O'Brien also gained heavily in Clifford.

The unofficial returns of Nye county up to last night, including Tonopah, give the following:

CINCINNATI, Nov. 5 .- In speaking to the Cincinnati Commercial club, of which he has been a member for fifteen years, William H. Taft tonight brought every member to his feet in an address sounding the keynote of prosperity for the country during the next four years. "Every business man who is obeying the law may go ahead with all the energy in his possession; every enterprise which is within the statutes may proceed without fear or interference from the administration when acting legally, but all interests within the jurisdiction of the federal government may expect the rigid enforcement of the laws against dishonest . methods," was the keynote of what Mr. Taft said.

Next Congress Will Be Composed of 216 Republicans and 175 Democrats

(By Associated Press.)

NEW YORK, Nov. 5 .- According to the best information the proportionate numbers of the Republican and Democratic electors will be determined by the division of Maryland's eight votes. Although the splitting of a state's electoral vote is unusual, it will be recalled that in 1904 Maryland chose one Republican and seven Democratic electors.

Missouri appears safely for Taft, to whom the latest returns give a plurality of 300. Conceding Missouri to Taft, and leaving Maryland to be split between him and Bryan, the figures show 319 Republican electors assured and 156 Democratic electors.

The latest congressional returns indicate that the next congress will be composed of 216 Republicans and 175 Democrats.

The returns for the Socialist, Prohibition and Independence parties are far from complete. Outside of the returns, political interest was engaged today in the exchange of messages of congratulation and thanks between Bryan and Taft, and a statement by Bryan in which he sets forth a determination to continue the work for the good of all, in the capacity of a private citizen, and an announcement by Sherman that it cost him \$21,800 to be elected vice president.

(By Associated Press.) LINCOLN (Neb.), Nov. 5 .- The feature in Nebraska's election count today was the steady decrease in the estimated Bryan plurality. Returns from eighty-one out of ninety counties in the state give Bryan 121,080 and Taft 118,699. The nine remaining countles will probably slightly reduce Bryan's plurality, but it can not wipe it out. Prospects are that he carried the state by a little over 2000.
